OMNI® AUTOMATION DOES IT ALL.

As an industry-leading pool automation platform, Hayward® Omni makes mobile pool and spa control simpler and more intuitive than ever.

PUMPS

Save energy with full control of your pumps—including adjusting speeds and setting schedules—no matter where you are.

LIGHTS

Unlock exclusive features with OmniDirect Mode™, including lights, dimming and speed control of ColorLogic® LED lights, plus access to programmed light shows and 20 luxurious colors.

HEATER

Adjust settings on your heater from anywhere, so your pool is warm when you get home—no need to leave the heat on all day.

SPA

Turn on and adjust valve actuators, plus create themes with your favorite heater and lighting settings for instant “ahhh.”

SALT SYSTEM

Conveniently monitor and control chlorination levels for water that feels even better than it looks, and generate chlorine with salt levels as low as 800 ppm.*

CLEANER

Turn on your cleaner from anywhere or simply set a schedule so you always come home to a sparkling clean pool.

WATER FEATURES & MORE

Control your sheers, laminars, bubblers and more—or set a schedule right from your phone.

EVERY OMNI SYSTEM INCLUDES A COLOR TOUCHSCREEN INTERFACE.

There's an Omni for every pool.

FROM NEW BUILDS TO EXISTING UPGRADES, FIND THE OMNI SMART POOL & SPA CONTROL SYSTEM THAT BEST FITS YOU.
